

Dear Epiphany Parents,

The journey is about to start for this year's drama program. Our first session of drama classes is beginning September 29^s, and will be for those students in Kdg – third grade. Listed on the bottom of this letter are the important drama dates. These dates include the drama classes, parent meeting, auditions, Tech Week, and performance dates. Mark these dates on your calendars now to keep conflicts to a minimum. Please note when the play is scheduled this year, along with tech week. In addition on the Drama Arts website is a listing of Frequently Asked Questions section. Please refer to it if you have specific drama questions. If your question is still not answered, do not hesitate to call the drama line or send an email via the drama page on the school website.

Also included in the forms section of the Drama arts web site is the Drama Fee form. Again this year, you will have two options for payment:

- 1. Pay for the entire program at the start of the year: This fee includes the fall/winter drama classes, the spring production fee, one DVD per family, one t-shirt per child and cast dinners. Paying this way will result in a \$5.00 per child savings. There will be no refunds if your child decides at a later time not to be in the spring production.
Note- -this Drama Fee form for classes along with your payment is due by Tuesday, Sept 29th**
- 2. Pay for drama classes and the spring production separately: The cost for the drama classes is \$25.00 per child. Additional spring production fees are listed on the form. This is a good option if your child is just interested in the drama classes right now and you are not sure at this time if he/she will be in the spring production.
Note- This Drama Fee form for classes along with your payment is due at beginning of class session.**
