

Appendix VI

Epiphany Athletic Voucher System

1. The purpose of the Epiphany Athletic Voucher System is to:
 - Gain parental assistance at the sporting events and during athletic fundraisers.
 - Gain financial support for Epiphany athletics.

2. How the Epiphany Athletic Voucher System works:
 - Each family, whether your child is on a competitive team or on an intramural league, is required to volunteer for one shift in the concession stand, one shift at tournament admissions, or chaperone one Middle School dance.
 - A \$25 deposit check is due with the registration form for your child’s sport.
 - The deposit check will be returned to you at the end of the year.
 - If you would rather pay for your hours than volunteer, add \$25 to the registration fee of your family’s first sport.
 - You may pick up additional voucher slips in the school office, the concession stand, or the athletic office.

3. After you have worked your shift, please fill out a voucher form and return it to the school office or to Kevin Schultz in room 710. **Please DO NOT return your slips before you have actually worked the event. Fill out the form completely to receive full credit.**

4. If we have not received confirmation of your volunteering, nor have you paid for your shift by the end of the school year, your deposit check will be cashed.
