Spotlight on the Handbook. The Epiphany School Advisory Council is a group of nine parents selected and appointed to advise school administration in the fostering of faith development and the advancement of our Epiphany School community. The members serve as representatives for the following committees:

- Marketing
- Finance
- Strategic Planning

The purpose of the Epiphany School Advisory Council is to serve as a forum for input and rich discussions that further the mission of the school. They advise the Principal regarding matters brought to monthly meetings, creating an understanding of programs, policies, and procedures. In addition, they serve as liaisons for communications between parents and administration (pg. 24).

Drama Arts Book. It's that time of year to celebrate an honored tradition: placing an ad for your favorite actor or actress in the 2017 Epiphany Drama Book!! This is a great way to showcase your support of your Drama Arts participant and provide them a keepsake that will last for years to come. You have two options: create your own (our favorite) or provide us with a photo of your student and we'll create a Star Ad on your behalf. The [Drama Ad Order Form](#) is also available on the school website. **The deadline for all drama ads is Wednesday, April 12.** If you have questions, you are welcome to email dramaarts@epiphanymn.org for assistance.

Preschool Program Students will re-enact the Bible story of the Wedding Feast at Cana. This experience will help them understand the importance of Jesus' first recorded miracle. The bride and groom will dress in their finest attire for the celebration, while the character playing the role of Jesus changes the water into wine. All the guests will partake of cake and sparkling fruit beverages noting the significance of the superior drink and the miracle Jesus performed.
