

September 6, 2017

Dear Parents:

The seventh grade Wolf Ridge (Environmental Learning Center - ELC) trip is coming up soon! In preparation, there will be a parent meeting on **Wednesday, September 13, at 7:30 pm** in the media center. The meeting should last about one hour. At that time, you will receive information regarding this major overnight field trip for all seventh grade students. The actual dates of the Wolf Ridge trip are Wednesday - Friday, October 25-27, 2016.

It is very important that at least one parent of every seventh grader attend this meeting. Deacon Gunderson and I look forward to seeing you on this night. The seventh grade students will receive their information after this meeting.

All chaperones must attend this meeting. Please also plan to stay an additional 10-20 minutes after the parent meeting. Don't forget, chaperones must have a completed background check, signed Code of Conduct, and have attended Virtus training by October 14, 2016.

Sincerely,

Becky Riethmeier
Middle School Science Teacher
briethmeier@epiphanymn.org
(763) 754-1750 ext. 424

Please return the bottom portion of this letter to Ms. Riethmeier,
by Monday, Sept. 11, 2017.

I have read the above letter and:

_____ I will attend the meeting

_____ I will not attend the meeting – please contact either Ms. Riethmeier or Mr. Gunderson
