Saint Andrew Novena

*Hail, and blessed be the hour
and moment in which the Son of
God was born of the most pure
Virgin Mary, at midnight, in
Bethlehem, in the piercing cold.
In that hour vouchsafe, I beseech
Thee, o my God, to hear my
prayer and grant my desires,*

*through the merits of Our Savior
Jesus Christ, and of His blessed
Mother. Amen.*

This is the Saint Andrew Novena, and it begins today, 11/30, the Feast Day of Saint Andrew.

As a school, we will be saying this prayer three times a day: Morning, Noon, and End of Day.

This is an important tradition that will keep Jesus front and center during Advent. A reminder for our students of the true meaning of Christmas and the importance about waiting and planning for the Birthday of our Savior.

Report Cards and a New Trimester

We have come to the end of the first Trimester! Everything begins new when we return to school next Tuesday, December 4. Students receive a clean slate in both their grade book and their conduct reports. The new Trimester is a great time to talk with your child about what they did well last Trimester and what they can do better in the next. Setting reasonable goals and managing them is a skill that has to be taught and for many of us, it's a difficult one to learn.

Report Cards will be released on December 13, which is already two weeks into the new Trimester. Consider having heart-to-heart conversations with your children ahead of Report Cards, when the slate is brand new, to help them get off to a great start in our second Trimester.

Access to School Parking Lot

After careful review by our facilities team, preschool, and day school administrators, we have made the following adjustments to the entrances to our school parking lot during all school days:

- Access from the Hanson Blvd. to our south school lot will **ONLY** be open during school drop-off and pick-up times. Cars should use the 111th street access.
- The portable yellow barriers that run down the center of the school parking lot will **ONLY** be open during morning drop-off and afternoon pick-up when school is in session.

To avoid the frustration of getting stuck on the north side of the school and having to drive around, please plan ahead and enter the school lot from 111th Ave at all times outside of drop-off and pick-up times.

What's All of This Talk About Latin?

There is much chatter about the addition of Latin to our school curriculum. The good news is that people are talking about it and researching. The bad news is that much of the information being passed around from word of mouth, is inaccurate. Here are a few truths and some great articles with information about WHY we will be adding Latin to our curriculum.

- **Truth 1:** We ARE going to begin some Latin instruction at Epiphany Catholic School next year.
- **Truth 2:** The amount of Spanish that our students receive next year will be assessed and there may be adjustments made, but Spanish will NOT be completely eliminated.
- **Truth 3:** If we are not continually evaluating our curriculum, and making adjustments based upon need, we are living in a state of false superiority. When we evaluate our curriculum and determine that we are providing exactly what our students need, we are living in a state of truth.
- **Truth 4:** Latin is NOT a spoke language - it is an art, a skill, and a rigorous building block in the development of grammar, phonics, reading, vocabulary, writing, science, history, and assessment. Simply put, students who study Latin do better. To learn more, read the following articles:
