DISTRIBUTED IN MAY

How to enroll in Epiphany Catholic School Parish Partnership and obtain lower tuition rates!

A family must register in the parish, show involvement, and participate in at least 24 Sunday Masses in the sponsoring parish by placing their Participation Card in the collection. Since Sunday is a holy day of obligation, Mass is always expected. Yet, a family must attend a minimum of 24

Sunday Masses in the parish sponsored school.

The actual cost of educating a child is more than tuition rates and the difference is made up by the parish. The parish can no longer subsidize this difference for those who have no involvement in sustaining the life of the parish. While financial benefits cannot cause faith, we will use them to support those who want to grow in faith.

Parish Partnership benefits include:

- Lower tuition - (Rebates sent in May)
- Access to financial aid through TADS
- Early registration access to limited class sizes

PLANNED TUITION: GRADES 2-8

	2018-19	2019-20	2020-21
Standard	\$5,100	\$5,600	\$6,100
Parish Partnership	\$4,500	\$4,700	\$4,900
Financial aid available for Parish Partnered Enrollment	\$230,000	\$280,000	\$330,000

This model is financially neutral to the parish, and we anticipate contributing the same amount to the school. Tuition structure is based on current enrollment and could be subject to change. The goal is to bring Standard Tuition up to Cost.
