

Summer Spanish Activity Ideas

Make sure you have parent permission for the activities involving the Internet.

Practice the language on apps or websites, such as DuoLingo.

Read comprehensible stories in Spanish. [Revista Literal](#) has stories submitted by students. Visit the Spanish section of your local library. FluencyMatters.com has comprehensible novels and audio books.

Read and listen [to an article on Veinte Mundos](#).
(<http://www.veintemundos.com/en/library/>)

Play on one or more corporate Spanish-language websites such as:

[McDonald's](http://www.mcdonalds.com.mx/) (<http://www.mcdonalds.com.mx/>)

[Major League Baseball](http://mlb.mlb.com/es/index.jsp?c_id=ml) (http://mlb.mlb.com/es/index.jsp?c_id=ml)

Read about a Spanish-speaking saint on <http://wikipedia.org> or from another source.

Watch "[The History of the Spanish Language](#)" video by Pimsleur Approach.

Practice conjugating verbs at <http://avancemos.conjuguemos.com>. Click on Avancemos 1 and go to our current unit in the drop down selection. Try the "Cumulative" option for a challenge!

Donate at least 600 grains of rice by playing the Spanish vocabulary game on <http://freerice.com>. Go to "Subjects" and then under "Language Learning," click "Spanish."

Play vocabulary games on <http://www.digitaldialects.com/Spanish.htm>.

Watch a movie with the language set to Spanish or with Spanish subtitles.

Using Post-It Notes and a Spanish-English dictionary, label 10 items in your house (that you don't already know in Spanish). Leave the Post-It Notes on for a week. Then, from memory, recite the words.

Teach at least 5 Spanish phrases or a song in Spanish to someone else (any age).

Read about a famous Latino musician or artist on <http://wikipedia.org>.

Change your cell phone/iPod/other electronic device's language to Spanish for two days.

Find 3 household items (laundry detergent, Windex, etc.) and read the Spanish instructions/warning labels found on the back to a parent or sibling.

Listen to a Spanish-language radio.
