

Data Release Verification

As part of our enrollment process, we require that parents/guardians release all private data records for each student enrolling at Epiphany School. Failure to release such records will deny entrance for the student.

Records include, but are not limited to:

1. **Critical School Records** (name, address, birthdate, gender, attendance record, grade level, grades, and standardized test results)
2. **Health Records**
3. **Psychological Reports**
4. **Special Education Records** (including related services)
5. **Teacher, Counselor, Staff Observations**
6. **Chemical Abuse/Dependency Report**
7. **Medical Report** (including related services)
8. **Psychiatric Report**
9. **Social Work Report**
10. **Discipline/T truancy Reports**
11. **Others:** (specify)

Student's Full Name _____

Home School District _____

Previous School(s) _____

Parent/Guardian – Name and Address _____

I understand that failure to fully disclose information requested or honestly comply with the request for student information and records will be grounds for fraudulent enrollment and the student will be removed from Epiphany School immediately. I verify the above information to be accurate and complete.

Parent/Guardian Signature / Date

Revised 7/2019
