2019 ReadAThon

Celebration Waffle Breakfast and Book Fair

September 20, 2019

Dear Epiphany School Parents,

To keep our tuition manageable, and to provide for the unique needs of our educational programs and curriculum, our school does annual fundraisers that all families are asked to support. This year we will have three fundraisers: the ReadAThon, Christmas Gala, and Catholic United Financial Raffle. Today we are kicking off our ReadAThon.

By participating in the ReadAThon, our students will not only raise funds for our school but further develop their reading skills and hopefully, increase their love of reading. During the ReadAThon, all students are asked to read, read, and read with the school goal of attaining 150,000 minutes of reading in just 22 days. Our ReadAThon will end with a delicious celebratory Waffle Breakfast and Book Fair on Sunday, October 13, 8:00 am – 12:30 pm. Although more information will be available over the next few weeks here are the basics that were explained to our students today:

- The ReadAThon begins today and runs until Sunday, October 13.
- All funds raised should be returned to school by Tuesday, October 15 in the envelope provided.
- Each student is asked to obtain sponsors for their reading minutes with the goal of raising \$100 or more if they wish. A pledge sheet is attached to this letter and more are available in the school office or on our website.
- Donors to our ReadAThon may be given a receipt for their donation. The receipt is a bookmark, also included with this letter. Just cut them apart and give one to each donor. More are available in the school office.
- Using the included calendar, our students enter the number of minutes that they read daily.
- If our school reaches our goal of \$30,000 (\$100 per student), students will be rewarded with a full school day of fun and field trip (no work!).
- For every \$100 that students raise they will receive one Out of Uniform Pass that can be used on designated days during the school year (maximum of 10).

We hope that our ReadAThon provides students with an opportunity to further develop their love for reading. Thank you in advance for your support of Epiphany Catholic School.

In Christ,

Ann Coone, Principal
