

Middle School Math and Science Teacher for 2024-2025

DESCRIPTION

[Epiphany Catholic School](#) in Coon Rapids is currently seeking an outstanding Middle School math and science teacher to join our school community full time for the 2024-25 school year. We offer a strong Catholic mission and leadership, a welcoming gifted faculty, and a positive working environment. In short, the ideal candidate lives and imbues our mission to form highly educated Catholic saints and citizens for this world and the next.

Why Epiphany?

- The truths of the Catholic faith are modeled, taught, lived, and present throughout the school.
- Students are blessed with a strong classical education rooted in Christian virtue.
- Epiphany faculty and staff are exceptional stewards of the mission of the school to form saints and citizens.
- The parish and school are unified in the religious formation of students, families and parishioners.

QUALIFICATIONS

The ideal applicant will have the following qualifications:

- An understanding of, commitment to, and passion for the mission of Catholic education as defined by the Church and demonstrated integrity as a credible witness of the Catholic faith.
- An uncompromising commitment to academic excellence as an essential component of authentic and integral classical Catholic education.
- Ability to contribute to a culture of: (1) faith in Christ and His Church that is mature, informed, accountable, and dynamically missionary; (2) respect for the dignity, freedom, responsibility, and social vocation of the human person made in God's image; and (3) human excellence reinforced through high, yet reasonable expectations for learning and for virtuous interactions among all members of the school community.
- A strong work ethic and a commitment to the success of our students.
- Strong classroom management skills, balancing classroom structure with rapport in working with kids in a manner that instills grace and courtesy.

- An openness and ability to work with students with diverse learning needs.
- Professionalism and good communication skills.
- Bachelor's degree or higher in elementary education or related field

BENEFITS OF EMPLOYMENT AT EPIPHANY SCHOOL

- Competitive pay in keeping with experience.
- Stipend opportunities for coaching, club moderation, and special projects.
- An opportunity to earn a free master's degree of your choice, [tuition free](#), through the University of Saint Thomas or the Saint Paul Seminary.
- Opportunities for leadership through the [Institute of Catholic School Leadership](#).
- A tuition discount of 50% for all children enrolled in the school.
- Medical and dental coverage options through Blue Cross and Blue Shield.
- An orientation program for new teachers, partnering with veteran teachers to make sure their first year is a success.

APPLICATION INSTRUCTIONS

Please send a letter of interest and resume to Principal Steve Cunningham at scunningham@epiphanymn.org or mail to Epiphany Catholic School, Attn: Steve Cunningham, 1101 Hanson Blvd. NW, Coon Rapids, MN 55433.
