'Crayola (or similar)' is a request for higher quality art supplies. Prang is also excellent. Quality differences are especially noted in crayons and colored pencils in terms of coverage and durability. Value brand markers are generally fine but low quality crayons & colored pencils lead to frustration.

****LABEL ALL CLOTHING****

Teachers prefer all supplies to be simple and plain, especially pencil pouches and cases. Larger, novelty options can be frustrating and distracting

In most cases, novelty pencils are of low quality, often breaking easily and causing frustration. Please send plain, high-quality #2 pencils
