### **Important Notes for All Families**

#### **Please label!**

- Clothing layers that are frequently removed
- All uniform items for Middle School students** (to avoid accidental locker room swapping)
- All water bottles**
- For younger students, please label **all outerwear and backpacks**

Teachers prefer all supplies to be simple and plain, especially pencil pouches and cases. Novelty options can be distracting

Novelty pencils tend to break easily. Please send **plain, high-quality #2 pencils**.

The phrase "Crayola (or similar)" reflects a request for higher-quality art materials. Brands such as Crayola or Prang offer better performance and durability. Quality differences are most noticeable in crayons and colored pencils, particularly in coverage and strength. While lower-cost markers may work initially, they tend to dry out more quickly and require more frequent replacement.
